Report, 1928.

The work of the Hospital during 1928 has well maintained the record of past years, the number of In-Patients admitted being 68 as against 64 in the previous year. Beyond this, the Hospital has been freely used for the treatment of small accidents and cases requiring daily dressing or massage.

The success of the Christmas Pound Day surpassed even that of 1927. There was a busy and cheerful scene in the little kitchen at the Hospital, where for a couple of hours the supply of tea and cakes on one table gradually disappeared as the pile of goodly packages on the other mounted higher and higher, an incredible number of people contriving somehow to pack in and enjoy the fun. Throughout the whole year, too, there has been a constant supply of vegetables, fruit and other gifts left at the Hospital. The Matron wishes specially to thank Mrs. Trelawny and her most neighbourly neighbour, Mrs. Hocking.

The new Secretaries of Alexandra Rose Day and Bovey Carnival Committees, Mrs. Trelawny and Mr. Melhuish, kept both events up to the high standard of former years. The Hospital Committee are most grateful to them, and to all who helped in producing such good results.

An alteration has been made in the Terms of Admission which both safeguards the benefits of the Hospital for the really necessitous, and brings us into line with the practice of the other Cottage Hospitals in the neighbourhood.

The Committee desire to place on record their grateful appreciation of the work done for the Hospital by the late Mr. Turner, both in his capacity as Hon. Treasurer and in many ways known only to those intimately connected with the Hospital. He will be greatly missed.

A word to all new Residents in the district—and to many old ones. A little Hospital so widely used, and with such a record of good work done since its foundation eighteen years ago, should surely be far more widely supported than the present list of subscribers shows. Subscriptions for this year may be sent at once to the new Treasurer, Mr. A. Godsland, Fore Street, Bovey Tracey.
